Statement in Compliance With Appendix B Guidelines C.5

5. The following answers are provided in response to the questions set forth in

Appendix B Guidelines paragraph C.5:

**Question:** Did you agree to any variations from, or alternatives to, your standard or

customary billing rates, fees or terms for services pertaining to this engagement that were

provided during the application period? If so, please explain.

**Response:** No.

**Question:** If the fees sought in this fee application as compared to the fees budgeted for the

time period covered by this fee application are higher by 10% or more, did you discuss the

reasons for the variation with the client?

**Response:** Not applicable.

**Question:** Have any of the professionals included in this fee application varied their hourly

rate based on the geographic location of the bankruptcy case?

**Response:** No.

**Question:** Does the fee application include time or fees related to reviewing or revising time

records or preparing, reviewing, or revising invoices? (This is limited to work involved in

4

preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

**Response:** No.

**Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

**Response:** This particular fee application does not include any such time or fees.

Question: If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

**Response:** The engagement letters that were signed by the Board provide that EY's rates are subject to increase, typically once a year on July 1. Since EY is not a law firm, it is not subject to ABA Formal Ethics Opinion 11-458.

#### **Johnson Factors**

- 6. Below is a discussion of the twelve factors set forth in *Johnson v. Ga. Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974), made applicable to compensation determinations in bankruptcy in *Am. Benefit Life Ins. Co. v. Baddock (In re First Colonial Corp. of Am.)*, 544 F.2d 1291, 1298-99 (5th Cir. 1977):
- (1) <u>The time and labor required.</u> The number of hours expended during the Fee Period demonstrates that EY devoted a substantial amount of time on a variety of issues that

have arisen during the Fee Period. EY rendered the services within a reasonable amount of time commensurate with the complexity, importance and nature of the issues it addressed.

- (2) The novelty and difficulty of the issues. Many of the issues that EY addressed were complex, and required the skill and experience of sophisticated accounting and restructuring professionals.
- (3) The skill requisite to perform the services properly. To properly perform the Title III Services it rendered during the Fee Period, EY was required to draw upon the skill and substantive knowledge of its professionals.
- (4) The preclusion of other employment by the professional due to acceptance of the case. EY committed a significant amount of time and labor to the Board during the Fee Period, which otherwise would have been dedicated to other matters for which, in most instances, EY's invoices would have been paid in full on a timely basis.
- (5) <u>The customary fee.</u> EY's fees are based on the customary rates it charges its other clients for similar types of services.
- (6) Whether the fee is fixed or contingent. EY is charging the Board on an hourly-fee basis for the services it rendered during the Fee Period.
- (7) <u>Time limitations imposed by the client or the circumstances.</u> The circumstances of these cases have occasionally imposed time constraints on EY, because of the need for rapid resolution of significant issues.
- (8) The amount involved and the results obtained. EY respectfully submits that its Title III Services have resulted in substantial benefits to the Board, which ultimately redounds to the benefit of the Title III debtors.

- (9) The experience, reputation and ability of the professionals. EY is a very well-regarded and established professional services firm, and its partners and professional employees are experienced in performing the Title III Services.
- (10) The "undesirability" of these cases. EY does not believe these cases are undesirable, based on its understanding that its requested compensation and expense reimbursement would be awarded.
- (11) The nature and length of the professional relationship with the client. EY has provided professional services to the Board since early 2017.
- (12) <u>Awards in similar cases.</u> The amount of compensation and expense reimbursement is reasonable in terms of the awards granted in cases of similar magnitude and complexity.
- 7. The request herein is without prejudice to EY's right to seek additional compensation for Title III Services performed and expenses incurred during the Fee Period, which were not processed at the time of this Application.

WHEREFORE, EY LLP hereby respectfully requests allowance and payment of

\$1,114,251.25 as compensation and reimbursement of \$0 of expenses, with respect to Title III

Services during the Fee Period. EY LLP also respectfully requests that it be granted such other

and further relief as the Court may deem just and proper.
